Chair Report: Alessandro Russo – Thanked the staff and everyone that organized and participated in tour of CSULB Walter Pyramid. Thanked Luan Tinoco, Laurie Emery & Ann Kinsey for updating the Staff Council website. Started our own Staff Council email address: staff_council@csulb.edu making it easier for communication purposes. Thanked everyone that participated in Spooktacular and ones that are assisting with Cherishing the Children.

Vice Chair Report: Ann Kinsey Welcomed new members: Daniel Lopez Edeza, CIE. Encouraged everyone within their Unit to ask additional people to join Staff Council.

Treasurer Report: position currently vacant.

Alessandro mentioned we did approve \$890 for events and working on it, part will be spent for Cherishing the Children. ~~Side c Report- a r y ' s~~

Mentioned helping with Cherishing the Children and updating social media pages: Facebook encouraged people to like page. Pictures are posted a : (5ges: {Sc8.677(11,T61Tf2.87980T6TTT

Sharon Olsen & Kristin Bonetati mentioned & discussed Bob Rodgers. There will be a memorial tribute to Bob & link to article on our Staff Council website. Kristin requested that anyone that has knowledge of the past, testimonials or memorials for Bob they would like to share on the Cherishing the Children event page.

Guest Speaker President Conoley –

Mentioned Division of Information Technology did a simulated phishing event and out of almost 5400 employees only 82 responded and provided personal information to the simulated hackers. 10,000 students were also sent simulated phishing and only 41 responded.

Mentioned person tweeting horrible things about the University and that the threat assessment team determined the person was a former student and was displaying mental health symptoms and tracked down living
