Black Student Success Inventory:

- survey sent to campus departments to identify campus priorities
 - campus is required to identify 3 recommendations to implement over the next 18 months;
 - there is a team collecting the data to put a report together by Nov. 3. hopefully will share results with the campus.
- \
- the creation of new AVP positions; concerns about why they are being created any

myself. I want to do best for our faculty and students.
