Chair's Report Kristin Bonetati:

-Outstanding Staff Member of the Year update: Met with Staff HR and discussed where this award and the community service award staff should be housed. The Outstanding Staff member is traditionally honored at the alumni banquet and during the achievement awards in Spring. The alumni banquet is moving to Fall. Should this also be wrapped into the service award event? The reasoning is that the more places we can honor our winners, the better. Great to give recognition to our staff.

-We will kick off the nomination packets this month (January). Hope to have the website with that info updated by end of next week (1/17)
